

## **TELANGANA STATE COUNCIL OF HIGHER EDUCATION, HYDERABAD**

### **Press Note**

Launch of Student Academic Verification Service (SAVS)

On Friday November 18, 2022

By Hon'ble Minister for Education, Govt., of Telangana

---

Prof. R. Limbadri, Chairman, TSCHE welcomed Smt. P. Sabitha Indra Reddy, Hon'ble Minister and thanked for accepting to be the Chief Guest and launching the Student Academic Verification Service (SAVS). Prof. Limbadri appreciated the unstinted support and help provided by Dr.M. Mahender Reddy , IPS, Director General of Police in the preparation the software project.

He presented a brief narration of the two types of verification i. e., Instant and Full verification, the procedural steps involved it and its utility for the recruiting agencies and higher education institutions.

Smt. P. Sabitha Indra Reddy garu, Minister for Education has launched the Student Academic Verification Service (SAVS) and Re-designed Website of TSCHE at Telangana State Council of Higher Education on 18-11-2022 in the conference hall of TSCHE.

Dr. M. Mahender Reddy, IPS, Director General of Police, Government of Telangana also graced the occasion, and spoken about the importance of the verification system as to how it comes in handy for law enforcing authorities to verify the suspected fake certificates then and there instantly, and take necessary action. He advised the authorities of TSCHE to integrate data of all the universities into a single network/ database so that periodic data addition becomes automatic. He further advised that the system should be made foolproof and prevent and care should be taken to prevent misuse.

Smt. Vakati Karuna, IAS Secretary of Education graced the occasion and appreciated the efforts of the state council in this big initiative which will very helpful in combating the menace of fake certificates.

Prof. V. Venkata Ramana, Vice-Chairman, TSCHE & Vice-Chancellor I/c RGUKT in his address spoke about the available modern technological options and requested the Universities to embrace them to make the system of verification fast effective and robust and also adopt the Digilocker.

Vice Chancellors of Osmania, Kakatiya, MG University and others spoken on the occasion appreciated the initiative of the TSCHE and assured their cooperation for the continuation of the project.

Prof. A. Sadanandam, Consultant, TSCHE, who is managing the project requested the Vice chancellors for their continued support in making the student data available and in future upgrades of the project.

### **Objectives and benefits of Student Academic Verification Service:**

- ✓ The primary objective of this service is to provide instant, online and authenticated academic verification of students' academic awards (certificates). The service is provided in two formats - Instant and Full Verification.
- ✓ The SAVS helps to curb the menace of fake certificates and help job providers & job seekers with fast verification and it also help the higher education Institutions/Universities (National & International) for easy verification.
- ✓ Academic verification in simple terms is verifying the certificates the students
- ✓ It also helps all Government/Private recruiting agencies in verification.
- ✓ It is accessible anytime anywhere across the world.
- ✓ It is the trusted solution for certificate verification independent of third parties.

Thank & Regards
