## FOREWORD

The State of Telangana emerged as 29th State in the Indian union as per the Andhra Pradesh Re-organisation Act, 2014 (No.6 of 2014) of Parliament which received the assent of the President of India on the first march 2014 and came into existence w.e.f. 02.06.2014.

The Telangana State Council of Higher Education (TSCHE), ever since its inception, is striving hard, to bring quality in higher education and to sustain the same in spite of several transitions triggered due to state bifurcation and globalization processes. The consistent endeavour of the council is to improve and expand higher education in all areas equitably, recognize and eliminate areas of disparities in access, and emphasize the relevance of higher education for national development.

The TSCHE Statistical Booklet would provide a database to analyze and understand the present status and to identify the grey areas in Higher Education field in Telangana State. The data of the booklet related to technical and professional education that would be contextualized for the removal of social and gender disparities and to serve the society to fulfil the three basic tenets of higher education the access, equity and excellence. The data enables to visualize the significant landmarks of development in higher education and the goals yet to be chased and the strategies that may be need to be evolved for their pursuit.

At present, the focus areas of TSCHE are:

- Improved funding to the Universities.
- Filling up of Teaching vacancies.
- Accreditation and Sensitization through NAAC workshops for improving quality in Higher Education
- Common Entrance Tests (CETs) have been conducted for the year 2019-20 successfully, admissions have been completed within the stipulated time and CETs examinations have been conducted online.
- Online examinations and onscreen evaluations implemented in professional colleges.
- Constituted working committees on :
  1. Providing internships to students and industry interface activities
  2. Curriculum and other reforms
  3. Establishment of incubators in Universities/ higher educational institutions with startup grants.
- Preparation of perspective Plan for Technical Education has been completed and T-2024 First Decade Document - Strategic plan is under progress.
- Placement guidance and assistance bureaus in all higher educational institutions initiated.
- A teacher quality improvement program to enhance the quality of teaching and learning process.
- Focus on issues and emerging trends in H.E.-Relevance, Redesign, Reorientation and Research (4 R's)

I congratulate the Vice-Chairmen, Secretary, Officers and Staff members of the TSCHE, specially the Statistical Cell for their arduous task of accessing the data, collecting and compiling and computing the information on various aspects of Higher Education in the State to bring out TSCHE Statistical Booklet this year.

On this occasion, I convey my best wishes to all.

### Quality Assurance & Accreditation:

The exponential growth of education has led to some quality deterioration. In order to strike a balance between massification of education and quality the Assessment and Accreditation councils came into existence and they have been issuing quality certification. Linking certification to the public funding has resulted in maintaining some quality in institutions. The National Assessment and Accreditation Council (NAAC) accredited Colleges across the States show varied picture from as low as One (1) colleges in Daman & Diu to 1685 colleges in Maharashtra, while the Telangana Stands with 217 colleges in the Country. The colleges' data is showing considerable variation among States. The reasons could be assigned to both the takers and the assessing authority. However, on the introspecting performance of quality is picking up in Higher Education Institutions, is a good trend.

TSCHE is encouraging the affiliating state universities to create adequate awareness among the colleges by organising NAAC awareness workshop wherever needed by utilizing National Quality Renaissance Initiative (NQRI) funding programme of NAAC, Bangalore.

As per NAAC portal the Telangana State has 13 Universities and 217 Colleges under NAAC accreditation as on 26.11.2019.

University, College, Institution and Branch/Department-wise assessment and accreditation has become the order of the day, and the HE institutions performance is considered to identify Potential for Excellence and for funding. Among 15 such Universities of Potential of Excellence the Telangana State bagged (2), one each in Central and State Universities categories.
